Package Description

FREE Power Music for Awesome Games by Aural Space features 5 powerful electronic soundtracks, if you'd like to have each of their own loops, short and long versions and a few more variations, make sure to download the FULL Version right here:

FULL VERSION: https://assetstore.unity.com/packages/slug/166451

The FULL package was created to make sure you have everything you need for your AWESOME game!

Package Contents

Inside the package you'll find 5, incredible and powerful electronic songs. Choose the one you like the most, or use all of them!

We've also added an MP3 version of the full soundtracks in the "_MP3" folder, for you to get more acquainted with the progression of the songs, as to make sure you're using the songs to their full potential.

Electric Energy : A breathtaking electronic song, great for any game that needs a little more energy.

Future Fighting : If you're looking for an electro fighting song, look no further, Future Fighting will add the right "punch" to any situation.

Nightcore Nemesis : Fast-paced soundtrack full of surprises.

Synthwave Surfing : Great for racing games and long rides in the sunset.

Techno Thunder : If you need a more iconic soundtrack, Techno Thunder has been created by referencing all of the original techno songs we know and love.

We always add an "_Icon" file so that you can replace the default icon of the sample pack folder to a new one. We value a more personalized and branded experience, so we highly encourage you to take a little time and change the default icon to the provided one.

All audio files are subject to the Store's LICENSE.

"We hope you'll find this package useful while making your game, you're AWESOME!"
